## Terms of Sale

### For the Trade Only

PRICES given in this list are intended for wholesale trade only and cancel all previous quotations. All prices quoted are f.o.b. Salem, Oregon.

RATES for quantity apply for each grade and variety as follows:

1 to 24 plants at the 10-rate.

25 or more at the 100-rate.

GRADING standards are those adopted by the American Association of Nurserymen.

PACKING at cost will be charged above prices quoted.

TERMS to buyers of known and established credit are 20 days net from date of invoice. Otherwise, remit cash with order or 25% with order, balance C.O.D. Eight per cent interest is charged on past due accounts.

SHIPPING instructions are requested. All shipments travel at buyer's risk and expense. Arrangements may be made for delivery by our truck.

CLAIMS or COMPLAINTS of any kind must be made in writing within 10 days of receipt of stock, and in the case of spoilage or breakage, must be accompanied by a copy of the Report of Damage furnished by an inspector for the carrier at time of delivery of shipment.

NO WARRANTY, expressed or implied, is given by the seller as to the growth or productivity of any nursery stock sold. Liability in all instances is limited to the original purchase price. No liability is assumed by us should injury befall our stock from hail, fire, flood, frost, or other causes beyond our control. All orders are accepted subject to crop conditions.
